

Folks,

Happy New Year 2018; now it's time to get your cameras, accessory equipment and photographica ready for the 2018 PSPCS Show/Swap/Sale.

The information forms for the up-coming 2018 PSPCS Annual Show are now complete and may be found on the Fastglass Wiki at:

<http://fastglass.wikispaces.com/PSPCS+Sale+Seller+Information>

I have included the 2018 Sale Brochure and Display form to reserve sales and display tables. Please complete and return this form(s) to me at a regular PSPCS club meeting or via snail mail or scan and send via email at [hbeyea@comcast.net](mailto:hbeyea@comcast.net) to request tables. Make checks payable to PSPCS.

You may also reserve sales tables online by following the Show Registration link at:

<http://fastglass.wikispaces.com/PSPCS+Camera+Show>

There is a button at the bottom of the registration screen offering an option to order tables and pay by PayPal.

If you have already reserved and/or paid for your tables, please forward this email to a friend who may also want to attend the sale either as a seller or as a buyer. There are still tables available.

See you at the 2018 Show!

Regards,

Harold Beyea  
PSPCS 2018 Sale Registrar

N.B. Display prizes are for 'Best in Show' not category. 1st thru 3rd place ribbons will still be awarded by category.
